Getting started with the Activities Website...

After selecting an activity from the home page, you will be taken to a new page. The following is for the first Jigsaw page, and the way it works is similar on each of the activity pages.

The puzzles below are interactive - they can be completed on screen by clicking on your laptop or desktop, or by pressing on your tablet screen.

Puzzle 1

This is what
the finished
jigsaw will look
like.

Click / tap here for
puzzle 1...

Click/tap here
to take you to
the jigsaw
window.

The puzzle will open in a new
browser window. When finished
with the puzzle, close the window
